PETITION FOR CORRECTION OF FILING RECEIPT
AND NOTICE OF ACCEPTANCE

Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

Attached is a copy of the official Filing Receipt received from the United States Patent and Trademark Office in the above-identified application for which issuance of a corrected Filing Receipt is respectfully requested.

Please amend the Filing Receipt under the section Foreign Applications to delete the claim of priority to Australia PR 3578 03/07/2001.

The present application has no claim of foreign priority. Although priority to the above Australian application was originally claimed at the time of filing the corresponding International PCT application, the claim of priority was withdrawn during the International stage. In support thereof, attached is a copy of the Notification of Withdrawal of Priority Claim issued by the International Bureau. Furthermore, applicant asserts that no claim of foreign priority was made during the US nationalization of the present application. Accordingly, the correction is not due to any error by applicant, and thus it is respectfully submitted that no fee is due relative thereto.

Also enclosed is a copy of the Notice of Acceptance of Application under 35 USC § 371 and 37 CFR § 1.495. For the same reasons as discussed above, please amend the Notice under the caption PRIORITY DATE to delete the date 03/07/2001. Again, applicant asserts that the correction is not due to any error by applicant, and thus it is respectfully submitted that no fee is due relative thereto.

The attached copies of the filing receipt and Notice have been marked to show the requested corrections.

Dated this 14th day of February 2006.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Dana L. Tangren", with a long horizontal flourish extending to the right.

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
